

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF NEW YORK

-----X  
UNITED STATES OF AMERICA

v.

ORDER  
98-CR-1101

FELIX SATER,

Defendant.

-----X  
GLASSER, Senior United States District Judge:

A motion has been made by Frederick Oberlander to unseal the transcript of a conference held on April 27, 2011, DE 225, and of the transcript of a conference held on January 10, 2012, DE 230.

The court has reviewed those transcripts, has reviewed and considered the responses of the government and Felix Sater to those motions. More than seven years have elapsed since the hearings were held that the requested transcripts record. During that time, this case, in all of its iterations, has been one of extreme public interest. The reasons that justified the sealing of these transcripts at the time do not persuade the court that they still do and lead to the conclusion that the motions should be GRANTED and it is

SO ORDERED.
